

SNOWMAN SOUP

Here's a gift of snowman soup,
I made it just for you.
At Christmas time I hope you will
Enjoy this tasty brew.

Mix water and chocolate in a cup,
And stir with the peppermint stick.
Be careful 'cause this "soup" is hot --
Don't drink it up too quick!

Enjoy this tasty little drink
When chills and snow appear.
I hope it warms your spirit
All throughout the coming year!
