

Monogram Crochet Coasters PATTERN

onelittleproject.com

Materials:

100% cotton yarn (2 contrasting colours)

4 mm crochet hook

Graph pattern (Find all 26 letters on our website!)

Yarn needle

Abbreviations:

Chain: ch

Stitch(es): st(s)

Single crochet: sc

Double crochet: dc

Pattern Notes:

- 1 For this pattern, the grey yarn will be known as “colour A” and the blue yarn as “colour B”.
- 2 Ideally, keep all your tails on the back side of your coaster so that you have a clear “right side” and “wrong side”. This will make the “right side” look much neater.
- 3 Visit our website linked below to find free graphs for all 26 letters of the alphabet.
- 4 This pattern will walk you through the first few rows of the letter “D” step by step, before switching to a row by row format. For other letters, follow the graph and basic concept of this pattern.

Monogram Crochet Coasters

1

Start by re-rolling your yarn into smaller balls of yarn. This will allow you to easily work on the different sections.

2

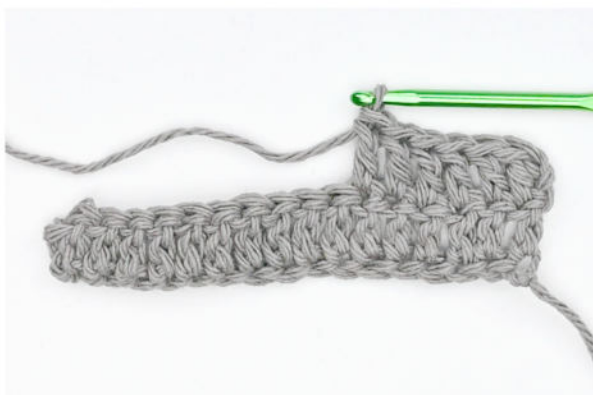

Starting with colour A, make a slip knot and ch 18.

3

Row 1:

Insert 1 dc into each ch, starting at the 3rd ch from the hook (a total of 16 dcs across).

4

Row 2:

Turn your work and ch 2. Work 1 dc into each of the first 6 sts.

5

Cut colour A.

6

Attach a strand of colour B and insert 1 dc into each of the next 8 sts.

7

Drop colour B and attach a new strand of colour A. Insert 1 dc into each of the last 2 sts.

8

Row 3:

Turn your work and ch 2. Work 1 dc into each of the first 2 sts.

Colour A: 1 dc into each of the last 6 sts.

19

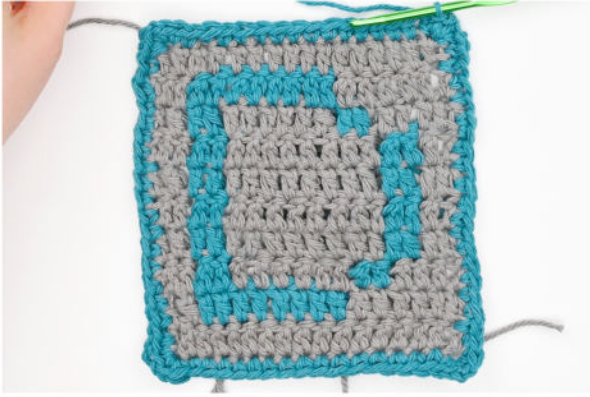

Row 10:

Insert 1 dc into each st across.

20

Cut and tie off your yarn.

21

Add a border of your choosing. We inserted 1 sc into each st around the perimeter, with each corner having 2 sc, 1 ch, 2 sc. Finish your border with a slip stitch into the first sc.

22

Use a yarn needle to tie in all your ends on the back.
